JELLYBABY CHENILLE Chunky
SUMMERTIME BLANKET

Materials –

    7mm crochet hook

    100g balls of Jellybaby Chenille Chunky –

    3 x Yarn A – Cherry Red 003

    2 x Yarn B – White 001

    2 x Yarn C – Deep Violet 008

    2 x Yarn D – Bubblegum 016

    2 x Yarn E – Butterscotch 010

Pattern Notes –

UK terminology used

The chain 1 does not count as the stitch

The loops are made by chaining 11, and slip stitching at the last treble crochet made

Abbreviations –

tr – treble crochet	t - turn your work	sp(s) - space(s)
htr – half treble crochet	nxt – next	slst – slip stitch
st(s) – stitch(es)	cor - corner	fo – fasten off
ch(s) - chain(s)	rept - repeat	yo – yarn over
	sk – skip	hts – half treble slip

With yarn A make 106 foundation chain

Row 1 – htr into 2nd ch, htr into each ch across

Row 2 – ch 1, t, tr into each st across

Row 3 – ch 1, * tr 5, ch 11, slst to top of last tr made (loop made), rept from * across

Row 4 – ch 1, t, htr into each st across, pushing the loop away from you

Rows 5 + 6 – rept rows 3 and 4

Rows 7 + 8 – rept rows 3 and 4

Following colour pattern as shown in photo, rept rows 3 and 4, changing colour after every 4th row with 2 rows White in between each colour stripe.

Weave in all ends, ready to join loops.

Joining loops –

Lay the blanket flat, with the rows you just finished at the top.

Take the 2nd last loop made and feed it up through the top loop, then lay it flat.

Take the 3rd loop and feed it up through the 2nd, and then the 4th and feed it though the 3rd working downwards.

Rept this all the way down for every row of loops.

Border -

Row 1 – Attach White yarn into the corner st on the top right, ch 1, htr into each st across, till you reach the last st.

Into the corner st work htr + ch 1 + htr. Working down the side work ** 1 htr into the end of the htr rows and 2 htr into the end of the tr rows ** until you reach the cor st, htr + ch 1 + htr into the cor st.

Now working along the bottom, htr 3, to secure the loop down yo, pick up the loop, and finish the htr as normal, * htr into nxt 4, pick up loop on the 5th st, rept from * till the last st, work htr + ch 1 + htr into last cor st, rept from ** to ** till you reach the last st, htr + ch 1 + htr into last st, slst to 1st htr

Row 2 – slst into cor ch 1 sp, ch 1, into cor ch 1 sp work htr + ch 1 + htr, htr into each htr st, rept all the way around, slst to 1st htr, fo.

Weave in all ends.
