The quantities of yarn stated are based upon average requirements and are therefore approximate.

It is important to work to the correct tension.

If there are less stitches and rows to 10cm, 4in, than the number stated, change to a finer needle, if there are more stitches and rows than stated change to a larger needle.

Owing to photography and printing restrictions, the colour reproduction is matched as closely as possible to the yarn.

TENSION

22 sts and 30 rows to 10 cm (4 in) measured over stocking stitch using 4 mm needles

If your tension is too tight use a larger needle, if too loose use a smaller needle
